1. INTRODUCTION

SunEden Naturist Resort strives to create an environment where everybody can live the core principles of Naturism as per the credo of the International Naturist Federation (www.inffni.org):

“Naturism is a way of life in harmony with nature, expressed through social nudity, linked to self-respect, tolerance of differing views as well as respect for the environment”

While most people come to SunEden with the right motives, there are occasionally some that have the wrong idea or have been misled about what naturism is truly about and in order to prevent misunderstandings these rules were put in place.

Shareholders, members, site tenants, caravan tenants, guests, day-visitors and any other persons who are present on the premises and make use of the facilities of SunEden Naturist Resort (hereafter referred to as SunEden, such persons hereafter referred to as “Patrons”, undertake to at all times comply with the rules of the Board of Directors of SunEden Share Block (Pty) Ltd (hereafter referred to as “Directors”) as set out below.

Furthermore, patrons acknowledge that the Directors are empowered to from time to time amend the rules of SunEden in its own absolute discretion (but in line with the “Use Agreement”) and to enforce the rules by taking appropriate action against patrons who do not comply with the Rules.

2. LIFESTYLE

2.1 Patrons accept that SunEden is a naturist/nudist resort and undertake that they, whilst present on SunEden’s premises, will take part in such life style, in other words patrons may not wear any form of clothing. In this regard, the following applies.

Exceptions to the above rule are:

The wearing of protective clothing against sunburn, like a hat and/or a t-shirt.

The wearing of a garment(s) during cold or inclement weather.

2.2 Visitors of 18 (eighteen) years and older may not go clothed whilst present at any of SunEden’s public areas, i.e. in and around the swimming pool, restaurant, bar/pub, Boma and caravan park.

2.3 Menstruation is a natural and accepted part of life. Women who are menstruating may choose to wear clothing which is consistent with naturist values.

2.4 The Directors will consider other concessions as regards rule 2.1 only on individual request.

3. SEXUALITY

Naturism is not about sexuality and in order to maintain a true naturist environment and to protect our reputation as a true naturist destination, the following applies:

3.1 Patrons will not partake in any overt sexual behavior in public areas.

- 3.2 Patrons will not try to recruit or invite anyone for a sexual activity.
- 3.3 Patrons will not promote any sexual activities at SunEden.

Patrons who witness or experience any of the above must immediately report the situation to the Directors or any Shareholder, who will investigate, respond and take appropriate action. Confirmed undesirable sexual acts will result in expulsion.
